

2008 - 2009 Season

Dear Valued Merchant, Supplier or Resident,

I will be participating in the Haney Neptune's Annual Swim-A-Thon on Wednesday July 9, and/or Friday, July 11, 2008 to raise funds to support my swim program and BCSSA swimming. My goal is to swim _____ laps within the time allotted (the maximum # of laps permitted is 200).

The Haney Neptune Aquatic Club is a nonprofit organization training over 130 Synchronized, Waterpolo and Competitive swimmers, ranging in ability from beginners to Olympic Trial athletes. As a non-profit organization, we rely on monthly fees and fundraisers to support our program. Pool rental alone exceed \$20,000 per year. Our program is currently based out of the Maple Ridge Leisure Center.

The Haney Neptune Aquatic Club is dedicated to providing the area youth with a year-round opportunity to train and to participate in the sport of Waterpolo, Synchronized and Competitive swimming. The Neptunes organization is designed to allow its swimmers to achieve their full potential by providing swimmers with high quality coaching in a structured setting. This year's Swim-a-Thon is scheduled for **Wednesday July 9th, 2008 and/or Friday, July 11, 2008** at the Maple Ridge Leisure Center.

Thank you for considering a monetary donation to our team.
