Type of Meet: "Open" Meet format (no A/ B cutoff); timed finals; competitors may enter a maximum of 6 individual events and 2 relays (including 6 & Under swimmers who may swim 6 & Under events and/or division 1 events but may only enter a total of 6 individual events).

Meet Registrars: please ensure that swimmers in Div 5 and higher register for only six (6) of the seven (7) available individual events. Heats will be run from slowest to fastest so it is important that the swimmers are registered with their fastest times. Please make every effort to time all swimmers who do not possess official times. Please ensure that all swimmers have been placed in their proper Division according to BCSSA rules.

NOTE: Please e-mail your Hytek entries to Diane Kamagianis at: dkamagia@shaw.ca by Monday, May 25, 2009 at 8:00 p.m. Please include a validation list.

There will be a charge of \$5.00 for overnight camping. Tenting will be allowed in the enclosed baseball diamond across from the R.V.'s. Please do not set up tents near the water park. Leisure Centre toilets near the water park will be accessible for most of the day and portable toilets will be placed within the cordoned off parking area. This year the policy will continue to be **CAMP AT YOUR OWN RISK!** Do not leave any valuables unattended. The local RCMP Detachment will be alerted to the presence of swim meet camping at the Leisure Centre.
- "O" Category:** "O" Category swimmers will compete in "O" Cat events. If there are too few "O" Cat swimmers in an event, they may be collapsed into their division. This is at the sole discretion of the Clerk of the Course and depending on the number of free lanes in the appropriate division. Relay teams may contain one "O" Cat swimmer per team.
- Relays:** Each club may enter two relay teams per event. **Composition of relay teams must be handed in by 10am each day to the Clerk of the Course.** Swimmers must have one team member from the entered division. Div 8 relay is open to all swimmers. (One "O" Cat swimmer max. still applies).
- Rules:** All BCSSA rules will apply.
- No DQ's for 6 & under events.
 - False start rule is in effect. Should a false start occur, the race will continue and the swimmer will be disqualified at the end of the race.
 - 6 and under swimmers will start in the shallow end – NO DIVING.

- Relay teams may use swimmers from lower divisions as long as one team member is from the entered division.
- Division 8 relays are an open event.
- Timing System – Electronic Touch Pads and 3 Plungers.
- No Head Timer. There will be no need because the system will start all plunger times.
- If the timing system fails to start, the heat will have to be swum again per the rule of a re-swim.
- No place judging will occur. All placements will be the result of the times calculated as either an official electronic time or by the calculation of the official manual time if electronic time is determined to be invalid.

- Jewelry:** Due to safety concerns any loose fitting or dangling earrings, bracelets or anklets shall be removed solely for the safety of the swimmers. Studed jewelry and close fitting bracelets will be permitted at the swimmer's own risk. **However, any jewelry being worn will be at the discretion of the Session Referee.**
- Scoring:** Individual events: 1st through 12th place: 14, 12, 11, 10, 9, 8, 7, 5, 4, 3, 2, 1 point(s).
(6 & Unders do not receive individual or team points unless competing as a Division 1 competitor).
Relays: 1st through 6th place: 28, 24, 22, 20, 18, 16 points
- Awards:** 1st to 12th place ribbons in individual events; 1st to 6th place in relays. 6 & Unders receive goodie bags and participation ribbons. Aggregate winners and runners-up in each division that has 6 or more swimmers will be awarded.
- Officials:** Volunteers are required from all clubs. White boards will be posted and should be filled in with the timers (plunger workers) and deck officials for the day by 7:30am each morning. Officials please attend the meeting at 7:30am both mornings. All deck officials and workers should expect to work the duration of each stroke. Please designate club members in advance to be responsible for your designated lane(s). **Abbotsford** will staff at least two lanes; **Haney, Langley, Agassiz,** and **Chilliwack** will each staff one lane or a combination of lanes. Three positions per lane are required. **Mission** parents will help to fill vacant positions when required.
- Viewing:** Spectators are required to view the races from the bleachers or in the enclosed space located opposite the bleachers and nearest to the Marshalling Area. Fire Access lanes must be kept open. Only those parents/ older siblings/ grandparents/ coaches etc. who are accompanying 6 & Under swimmers will be allowed near the Marshalling Area.

Marshalling Area: The deck is to be kept free of spectators, including swimmers who are not currently competing. An exception to this rule is that swimmers may approach their coach directly before or after their race. There will be two calls per event over the loudspeaker system. The final call will be announced as such. These are courtesy calls only. It is the sole responsibility of the swimmer to be at the marshalling table on time when they are called. There will be no individual calls for any event!

Day Camping: There is to be no setup of “day camps” near the stairway, in the viewing lounge or near the Marlins trophy case. This is due entirely to orders from the Fire Marshal that escape routes must be kept open. As a result, indoor day camps are to be set up within the curling rink and a sound system will be provided to alert swimmers to the calls to marshalling. It is the responsibility of the swimmer to report on time to marshalling regardless of these inconvenient circumstances. Any outdoor campers or those swimmers playing in the water park will also be expected to be alert to calls to Marshalling.

We are all looking forward to a great weekend and the start of off our summer swimming season. Good luck to all of the participants!
