Rules

All BCSSA rules will apply along with the following:

- All events will be swum as Time-Finals.
- No DQ's for 6 & under events.
- 6 and under swimmers start in shallow end in the water NO DIVING.
- Relay teams may use swimmers from lower divisions as long as one team member is from the entered division.
- "O" cat swimmers will be entered in to the appropriate event (see "O" Category). Division 8 relays are an open event.
- Timing System – Electronic Touch Pads and 3 Plungers, no Two Stop Watches
- NO Head Timer. There will be no need because the system will start all plunger times thus timers cannot forget to start their stopwatch and won't need replacement.
- If the timing system fails to start, such as on a restart of a race, the heat will have to be swum again per the rules of a re-swim.
- No place judging will occur all placements will be the result of the times calculated as either an official electronic time or by the calculation of the official manual time if electronic time is determined to be invalid.

At this early meet in the swim season it is important to make these events as enjoyable as possible. Please enter as many new members and young swimmers into relays as possible. The more the merrier.
