- Great leadership skills and work well as part of a team
- Excellent communication skills
- Available to work on Fridays

We are a small swim club serving the Southern Gulf Islands. Our swimmers range in ability from developmental to participation at Provincials, and their interests range from learning to swim in a fun atmosphere, exercise and fitness, to serious competition. Due to logistics of ferry travel to access aquatic facilities our pool time is limited. (We usually rent pool space in Saanich or Sidney.) As a club we value a supportive, fun atmosphere in which all our swimmers strive to achieve their best. Visit our website at
